WHAT TO EXPECT

Have Fun!

Throwing snowballs, building snowmen, games, old friends and new friends – so much fun to be had! Plus, the High School Youth from Our Savior in Livermore will be joining us, so we will have lots of opportunity to make new friends.

Worship

Singing, Bible study, one on one time with Jesus,

The House

The house we will be staying at is the future retirement home of one of our congregation members, and they have graciously allowed us to stay there. We will leave it cleaner than we found it. The house has 3 bedrooms upstairs, and 3 bathrooms with showers. The ladies will sleep upstairs in sleeping bags on top of the bed (so there is less clean up). The gentlemen will sleep downstairs on the floor or in recliners.

Love others

We have the power to build others up or tear them down with our words and our actions. We want to give our best effort to build others (other youth, the adult leaders, people working at the ski/sled resort, other people we interact with) up because Jesus always builds us up. We will all work hard to make sure everyone feels loved and accepted.

Meal Schedule & "KP" (Kitchen Patrol) Duty

Part of loving others will be helping prepare and clean up from meals. We will take turns helping with meal prep and clean up.

1. Meet in kitchen 30 minutes prior to meal
2. Prepare all meal items for the group
3. Clean kitchen, recycle bottles and cans, take out trash.

Media

This trip is about resting and spending time with Jesus and each other. We will be collecting phones during the car rides, as well as during the day. We'll return phones to students in the evening so they can call home and check in.

Ask

If you at any point have any question, worries, concerns just ask one of the adults. We are here to help keep you safe and have fun.

GROUP COVENANT

I promise to respect all the people I come into contact with on this trip, using my words and my actions to remind them that they are dearly loved children of God.

I promise to respect and care for other's property and possessions. This includes the house where we are staying, the resorts where we ski and sled, the cars we ride in, and the belongings of the other people on the trip.

I promise to stay in groups of three while sledding/skiing/snowboarding, to listen carefully to the adults with us, and to follow their instructions.

I promise to give my full effort in participating in what we are doing and to spend less time worrying about what comes next.

I promise to prioritize time with Jesus and time with each other over screen time and to stay off of my phone while we are together for car rides, meal times, devotions, and games.

I promise to value my safety and the safety of others. I promise not to bring any weapons, firework, alcohol, or drugs that are not prescribed to me on this trip. I understand that I need to let Kristen know about any prescribed medication I have with me. I understand that if I am caught with any prohibited items, I will have to go home early at my parents' expense.
